Urban Land for Construction of 8 Apartments with basement of 291m2 in the Center of Loulé

Urban land for construction of apartment block with basement of 291m2 in the center of Loulé for sale.

This plot includes the construction of 8 3 bedroom apartments (8 dwellings) with basement, in the area of Quinta de Betunes, an urban expansion area with services and commerce around.

The implantation area of the building is 233m2 and includes a possible construction area of 894m2.

It currently has a service designation, but a request to change the housing license is underway at the Loulé City Council.
